When: Wednesday, 11/15/17

6:30pm-7:30pm

Where: Cortland County Office Building

Auditorium

Presented By

Mark Helms, Cortland County Sheriff

Elizabeth Larkin, Cortland County Clerk

PISTOL LICENSE HOLDERS

If your pistol license was issued more than 5 years ago

**You MUST RECERTIFY by
January 31, 2018**

WHAT DOES 'RECERTIFY' MEAN?

- Recertification is required by law. Failure to recertify will result in license revocation and surrender of weapons.
- To recertify, you will need to supply your full name and client ID number (as found on your NYS Driver License or Non-Driver Identification Card), current resident address, date of birth and all handguns you own (make, model, serial numbers).
- If you have a current pistol license issued before January 15, 2013, you need to recertify. If you received your license after January 15, 2013 you will need to recertify prior to the 5 year anniversary of issuance.

HERE'S HOW TO RECERTIFY...

- **On the Web** – go to <https://firearms.troopers.ny.gov/pprecert/welcome.faces> and follow the instructions.
- **By Mail** – download the forms from <https://troopers.ny.gov/firearms/> or visit any NYS Police location
- By far, the web site is the easiest, most convenient and fastest way to obtain recertification status.
- Waiting to send in your recertification form until the last minute will not do you any good. Even though you are compliant, your license will not be recertified until the information has been received and entered.

SAVE YOURSELF FROM MAJOR INCONVENIENCES BY RENEWING ONLINE!!

SPREAD THE WORD!!

- Help get this news out to ALL pistol license holders that you know. Many persons are not connected to gun clubs and may not even know about this requirement.
- Recertification well before the 1/31/2018 deadline will avoid tremendous trouble and expense trying to get your pistol license and handguns back after your pistol license was revoked and your handguns have been surrendered to law enforcement. This scenario is bad for you, bad for law enforcement, and bad for gun owners in general.

THIS IS SERIOUS!!!.

Being a responsible, lawful gun owner means obeying the laws
whether we agree with them or not.
